SERBIA: WFTU LETTER OF SOLIDARITY WITH THE EMPLOYEES OF KOMERCIJALNA BANKA

Athens, 23.07.2020

**To the attention of:
All responsible parties**

The World Federation of Trade Unions, representing 105 million workers throughout the world, expresses its internationalist solidarity with the employees of Komercijalna Banka and the autonomus Trade Union of Komercijalna Banka.

As we have been informed, on February 26, 2020, the Government of the Republic of Serbia signed an agreement on the sale of its share in Komercijalna Banka, the Slovenian NLB Bank, while the employees are kept away from the process of ownership changing and are concerned about the preservation and promotion of their rights and interests.

As the world's militant trade union movement, we fully support the protection of the rights and interests of the employees, their demand for the respect of the signed Collective Agreement and the respect of the Bank's obligations to the workers.

We support the satisfaction of the just demands and the contemporary needs of the employees of Komercijalna Banka, and we urge all responsible parties to work in that direction.
